

Nourish drip

Nourish Drip's team is LA's trusted hangover cure. We are a team of health care providers include California State licensed and board certified registered nurses, nurse practitioners, and doctors who are proficient in IV administration.

Our goal is to assist our clients to feel their absolute best by providing them with a boost of essential vitamins, antioxidants and hydrating benefits. We are passionate about providing our clients with the luxury of intravenous vitamin hydration in the comfort of their own homes, hotel rooms, offices, or any other accommodations of their choice. We pride ourselves in ensuring sterile technique procedures while using only the highest in quality minerals, vitamins, and saline solution. All syringes and other equipment are single use, sterile, and properly disposed of.

"I absolutely love Nourish Drip!!! The nurse Irene was very knowledgeable about the vitamins and very professional!! After a long week of work and needing to travel that next weekend I got an IV and felt like a new person... my skin was glowing and had so much energy! Just what I needed! The best!"

-Jennifer Lopes

Very professional staff, highly trained and knowledgeable about the vitamin infusions! They make you feel comfortable in your own home, very quick to respond and the infusion took less than 30min! Quick and easy process! I felt so much better after my Beauty Boost treatment! My skin was glowing the next day and I felt like I had so much energy! I will definitely be using Nourish Drip again! Thanks ladies
