

# On Location Reels

*"I recommend this place to everyone who is looking to get their demo reels done! Amazing quality, affordable pricing, and they're super professional. I shot my demo reel with them and it is amazing! Thank you Vanessa and Dylan!" –Val G.*

**On Location Reels set out to shoot cinematic-style scenes for actors, on location for their demo-reels.**

**Using stylized shots and real locations, their objective is to create demo-reel footage that has the look and feel of a scene from an actual TV show or film.**
